

Call for Papers

Competition and Innovation Summer School

Turunç/Marmaris (Turkey), May 21–26, 2012

This workshop offers young interested researchers within the fields of the economics of innovation and competition the possibility to intensively discuss their dissertation plans or drafts within a peer group of experienced and renowned scholars, as well as other PhD students and post-doc researchers in a great environment.

Scientific Programme

Formal lectures every morning, providing students with detailed knowledge on current topics of innovation, the economics of science and intellectual property rights, empirical competition analysis and contemporary issues in theories of industrial organization.

Students' presentations and workshops on research methodologies and tools will take place in the afternoon.
